1.1 History

Stamford International University (STIU) established its first campus in Thailand in 1995, near Palm Hills Golf Resort, Hua-Hin. To meet the growing demand for international education, Stamford International University launched its second campus in Bangkok in 2009 and Asoke Campus Learning Center in 2015.

The university became a member of the Laureate International Universities network in 2012 to enhance global resources and opportunities for students. Laureate International Universities has a presence in 28 countries, with more than 80 accredited universities, serving more than 950,000 students globally.

In 2019, the University has joining China Yuhua Education Corporation Limited, Yuhua Education Group is a well-known private education group in China and a leading enterprise among the listed higher education groups in Hong Kong. It integrates higher education, basic education and pre-school education. It currently has four undergraduate schools, one university, one junior college, more than 20 primary and secondary schools, and kindergartens, with an enrollment of more than 140,000 students, accounting for more than 90%. Li Guangyu, Chairman of Yuhua Education, is a representative of the 12th and 13th National People's Congresses, a national role model, Vice Chairman of the China Private Education Association, and Executive Vice Chairman of the Guanghua University Alumni Association, Peking University EMBA Li Hua, Chairman of Yuhua Education

A Chinese education network. With this transformation, the University focuses on: STIU is a student-centered institution focusing on providing superior international higher education to its graduates. It is home to a truly international community of students and instructors from more than 100 countries. Our goal is to produce job-ready graduates with strong English proficiency, applied industry skills and diverse cultural experiences and understanding.
